Satin finish aluminum frame

Unique mounting system for easy installation

Lifetime surface guarantee

The 2000 Series Contour Markerboard combines elegance with functionality, making it ideal for corporate or educational environments.

Installation is a “Snap”

The satin finish contoured frame, snap-in marker tray, and unique four-corner mounting system are designed to make installation exact, quick, and easy. The board has two pre-drilled holes in each corner, hidden by snap-closure corners.

The markerboard surface is made with PolyVision's *P³ ceramicsteel™* surface, offering smooth writing, simple erasing with no ghosting, and is easy to clean. The *P³ ceramicsteel* surface is virtually indestructible and is guaranteed to last a lifetime.*

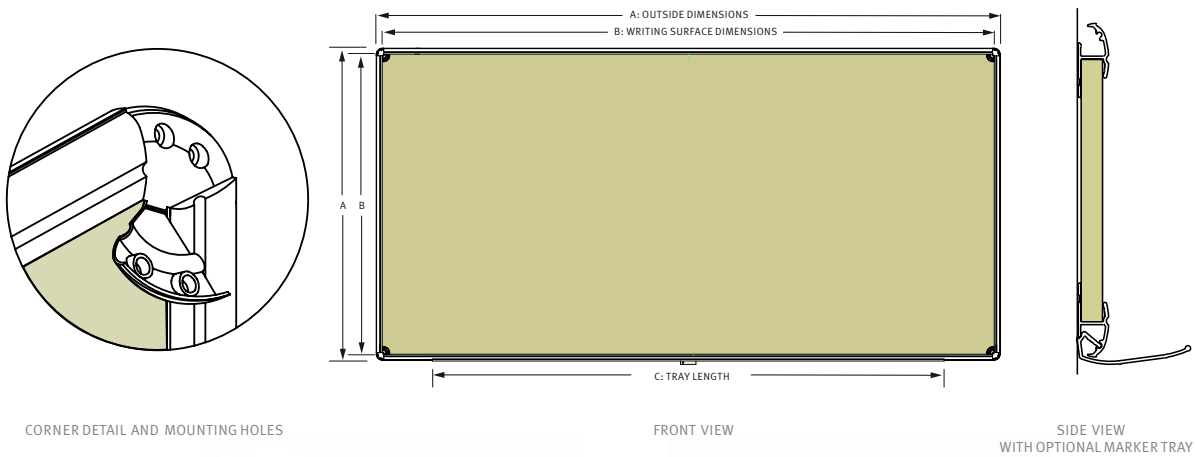

A perfect fit

The 2000 Series Contour Markerboard comes in a range of sizes, from 3' x 2' to 8 x 4', making this board easy to fit into a variety of spaces and environments.

* Every *P³ ceramicsteel* surface comes with a limited lifetime warranty.
